Reference:-

With reference to the Government Memorandum cited, the Board submits that a temporary licence for the manufacture of vinegar has been issued to Mr.Felix Albuquerque, Mangalore, free of fee with instructions to commence the manufacture of vinegar after employment of the supervisory staff of one Prohibition Sub-Inspector and 2 Prohibition guards required for the supervision of the operations in the manufactory.

The Board in this connection invites the attention of the Government to its reference cited and submits that the supervisory staff of 1 Prohibition Sub-Inspector and 2 Prohibition guards for the supervision of the operations in the manufactory would be sufficient at present. The pay,leave salary and pensionary contributions of the establishment will be recovered from the licensee every month in advance.

The Board therefore requests that the Government may be pleased to sanction the employment of 1 Prohibition Sub-Inspector and 2 Prohibition guards required for the supervision of the operations of the manufactory of Mr.Felix Albuquerque,Mangalore,for one year from the date of employment very urgently, so as to enable the licensee to commence the manufacture of vinegar.

The expenditure on this account will be met from the Budget grant for the year 1949-50 or if necessary by reappropriation of funds.
